**(b) Application for a permit required by this Code shall be made to the fire official in such form and detail as the fire official shall prescribe. Applications for permits shall be accompanied by plans or drawings as required by the fire official for evaluation of the application.**

**(c) Before a permit is issued, the fire official or the fire official's designated representative shall make or cause to be made such inspections or tests as necessary to assure that the use and activity for which application is made complies with the provisions of this Code.**

**(d) A permit shall constitute permission to maintain, store or handle materials, or to conduct processes which produce conditions hazardous to life or property, or to install equipment used in connection with such activities in accordance with the provisions of this Code. Such permissions shall not be construed as authority to violate, cancel or set aside any of the provisions of this Code.**

(e) Plans approved by the fire official are approved with the intent they comply in all respects to this Code. Any omission or error on the plans does not relieve the applicant of complying with all applicable requirements of this Code.

(f) The fire official may revoke a permit or approval issued under the provisions of this Code if upon inspection any violation of the Code exists, or if conditions of a permit have been violated, or if there has been any false statement or misrepresentation as to material fact in the application, data or plans on which the permit or approval was based.

(g) A permit shall remain in effect until revoked, or for one year unless a shorter period of time is otherwise specified. Permits shall not be transferable and any change in use, operation or tenancy shall require a new permit.

1. Exceptions:

i. A type 1 permit for welding or cutting shall be effective throughout the local enforcing agency's jurisdiction and shall be issued on an annual basis;

ii. A Type 1 permit for use of a commercial farm building as a place of public assembly shall be issued for each event; and

iii. A Type 1 permit for group overnight stays shall be required for each non-consecutive overnight stay.

iv. A Type I permit for the temporary use of any building as a special amusement building shall be issued for each event.

(h) Any permit issued shall become invalid if the authorized work or activity is not commenced within six months after issuance of the permit, or if the authorized work or activity is suspended or abandoned for a period of six months after the time of commencement.

(i) A permit shall not be issued until the designated fees have been paid.

1. There shall be no fee for a permit required by this subchapter if a municipality has by ordinance established a periodic inspection and fee schedule for a use substantially similar to the permit requirement.
