Mr. Boltz responded to Mr. Nuss comments regarding RER. Mr. Boltz stated RER is in compliance with DEP standards. Mr. Nuss from the previous meeting also questions the mold in the school in Jefferson Township. Mr. Boltz inquired and discovered the mold was related to a leak.

Mrs. McBride updated the Board on a recent meeting the Wantage governing Body had with the local and state officials and the DEP regarding RER. It was agreed any changes would go be fore the Land Use Board, and a bond will be posted if in the event the company were to ever leave, the bond would ensure the property would be restored.
